Support the Future
of Village Theatre

Village Theatre continues to be a haven for the growth of new musicals and for youth education in our community. As we look toward the future, Village Theatre will remain a leading producer of musical theatre in the Pacific Northwest region. The generosity of our donors allows for a legacy of quality productions that inspire our audiences, provides support for the creation of new musicals, and fosters the audiences and leaders of tomorrow through our KIDSTAGE and Pied Piper programming.

MAINSTAGE

Village Theatre looks forward to continuing to **INSPIRE** our audiences with award-winning, professional productions that utilize the expertise of specialized artisans, musicians, and creative staff while employing local, regional, and national talent. With consistent rave reviews, Village Theatre productions present incredible artistry and technical achievements while audiences experience thought-provoking stories that expand horizons.

“The quality at Village is amazing: the lighting, the sound system, and the intimacy of the theatre—because there’s not a bad seat in the house. And it’s just right here at home, which we feel really fortunate about. Obviously, we’re kind of sold!”

— Steve and Carol Klein, Everett Donors

VILLAGE ORIGINALS

Village Originals assists with the creation of dynamic new musical theatre by supporting artists at every level of development as the **CREATE** vibrant new works. To date, Village Theatre’s nationally recognized program has been part of the development of over 175 new musicals. Even while productions are on hiatus, Village Theatre continues to support artists with readings, residencies, and new works projects.

“Village Originals is an amazing opportunity for writers to get to mold their work; to take an idea and turn it into a show.”

YOUTH EDUCATION & OUTREACH

Village Theatre’s Youth Education (KIDSTAGE) program continue to serve and **EDUCATE** young people during this unique time. KIDSTAGE is designed to use theatre to build critical life skills through classes, performances, and mentorships on and off the stage. These classes, productions, and mentorships continue online and students are creating expressive virtual collaborations of theatre throughout the year.

“I am a part of something that makes me feel that I have talent, goals, and something incredibly fun to look forward to each day.”

— Riley Toland, KIDSTAGE Student
