

# COVID-19 STUDENT GUIDELINES — WHEN CAN I RETURN TO CLASS?

## KEY TO SYMBOLS

### SYMPTOMS

(List of potential COVID-19 symptoms that are not explained by an existing condition, such as allergies or asthma.)

#### LEVEL-A

- Fever (100° plus)
- Chills
- Cough

- Shortness of breath
- Loss of sense of taste/smell

#### LEVEL-B

- Fatigue
- Headache
- Muscle/body aches
- Sore throat

- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

### CLOSE CONTACT

"Close Contact" means being within 6 feet of a person with COVID-19 for about 15 minutes or more over a 24-hour period. Members of a household are considered to be close contacts.

### COVID-19

Coronavirus disease 2019 (COVID-19) is caused by a new coronavirus. Although most people who have COVID-19 have mild symptoms, COVID-19 can also cause severe illness and even death. Some groups, including older adults and people who have certain underlying medical conditions, are at increased risk of severe illness.

### QUARANTINE

Quarantine time frame follows current CDC recommendations. Students are welcome back to class after following these protocols.
