Donate to Support
the Theatre You Love

Through the generosity of our supporters, Village Theatre is able to unite the joy of live performance, the anticipation of vibrant new works, and the positivity of opportunity for students into one organization. The growth of Village Theatre has been strengthened throughout the years by motivated leadership who let dreams and aspirations lead the way and is supported by those who believe in the power of theatre and the arts to impact our world.

MAINSTAGE

As Village Theatre returns to the stage in 2022, our productions will continue to bring award-winning, professional theatre that utilize the expertise of specialized artisans, musicians, and creative staff while employing local, regional, and national talent. With a 43 year history beginning with *How To Succeed in Business Without Really Trying* in 1979, Village Theatre productions strive to **INSPIRE** audiences and provide experiences that share thought-provoking stories that expand horizons.

VILLAGE ORIGINALS

The belief that the musical theatre canon must be nurtured and built is uniquely supported at Village Theatre. Village Originals assists with the creation of dynamic new musicals by supporting artists at all stages of development as they **CREATE** vibrant new works. Beginning with our first new work, *Beanstalk*, in 1980, Village Theatre's nationally recognized program has been part of the development of over 180 new musicals and continues to provide resources for artists, readings, residencies, and new works projects.

YOUTH EDUCATION

Beginning with our first youth education production of *Pinocchio* in 1982, Village Theatre's youth programming serves to **EDUCATE** and provide opportunity for students to gain skills and confidence through theatre. KIDSTAGE is designed to use theatre to build critical life skills through classes, performances, and mentorships on and off the stage. Classes are formed to utilize STEM learning initiatives through an arts lens. Students are encouraged and provided space to use those skills to perform, direct, create, and express themselves.
