PREVIEW GUIDE

The show will run approximately 60 minutes with no intermission

The show has some thematic content relating to grief, coping with disability, being alone/lost, as well as the importance of family, friends, and the bonds that tie us all together. The show explores compassion for others and learning to not judge a book by its cover, but more importantly it touches on the ability to move forward and heal. It is a heartwarming show that teaches us that when things are getting tough, resilience and faith in ourselves win out in the end. As a wise fish once said: "Just Keep Swimming."
