Spring 2024

Miscast Cabaret

PREVIEW GUIDE

The show will run approximately 70 minutes with no intermission.

Our KIDSTAGE *Miscast Cabaret* will showcase student performers through pieces they may not be traditionally cast in. The results may be humorous, touching, or thought-provoking.

The Cabaret will feature an eclectic compilation of songs – from beloved musicals to new favorites, from classic music to contemporary hits – all performed by students through solos and small group musical performances. The production will be a concert-style performance, with minimal design elements and performed with a small band.

Miscast Cabaret will celebrate individuality, acceptance, empathy, and what makes each performer unique.
